

***My answer to the 'guarantee' question:***

I cannot guarantee that you will increase your score, but attending EVERY class second and doing some of the practice makes getting a higher score possible.

I cannot guarantee that you will increase your score, but attending EVERY class second and doing More of the practice makes getting a higher score Likely.

I cannot guarantee that you will increase your score, but attending EVERY class second and doing ALL of the assignments makes getting a higher score PROBABLE.
