The December ACT is a very good 'early' test for **juniors**, particularly those who are busy (sports, play, etc.) during the winter or spring. Much more than a mere 'crash seminar', this much longer 'course' includes *The Real ACT Prep Guide* with 100% real A.C.T. practice questions and tests. Class time is test-taking instruction (the what, where, when, why, and how of effective test-taking) and NOT for practicing. Practice is assigned as weekly homework (about 40 min. **daily**). Motivated students who attend EVERY class second and complete ALL assignments typically increase their A.C.T. scores by 2, 3, or more points!
