

ALL DVD Option

When a student misses a class day, they have two ways to make it up. First, they are welcome to attend another class location for the day they missed free. Second, they can view DVD's of the missed day for a fee. The DVD's were filmed in LIVE classrooms taught by Mr. Diciccio. Students who find it impossible to attend a LIVE class at all can view all of these DVD's instead. This is the **ALL DVD Option**. The "Top" of class (1) is viewed by the student at home. The "Bottom" of class (1) and all other DVD's are viewed when Mr. Diciccio is present to answer questions. The location for doing this varies. The current price for the **ALL DVD Option** in Poland, Ohio is \$299.00 and includes all the materials of the live classroom course. Payment for the **ALL DVD Option** is for viewing the DVD's and does not include purchasing them. The DVD's remain the property of Mr. Diciccio.
