

Dynamic Pricing Table

In an effort to still hold a class, despite the fact that enrollment is low, the ACT SuperCourse is priced according to the number of students so as to generate sufficient income. Dynamic pricing is often used for single ticket sales by professional sports teams and by the NCAA using criteria such as popularity and strength of opponent, team record, weather, etc.

No. of Students Price

Under 15, the class will be cancelled

15	\$245.00
16	\$240.00
17	\$235.00
18	\$230.00
19	\$225.00
20	\$220.00
21	\$215.00
22	\$210.00
23	\$205.00
24	\$200.00
25+	\$195.00
