Ursuline Education & Wellness Center Announces 2022 Labyrinth Schedule

CANFIELD -- The Ursuline Education & Wellness Center, 4280 Shields Road, soon begins its 12th year of labyrinth walks. While the labyrinth is open year-round, themed and guided labyrinth walks are offered by trained facilitators during the warm-weather season.

Each walk is led by a different facilitator, either an Ursuline Sister or Associate, with the meditation centering on a related theme. This year's overarching theme is hospitality. Hospitality is a virtue central to the ministries of the Ursuline Sisters of Youngstown, who began their work in the Mahoning Valley in 1874, and to the mission of St. Angela Merici, who founded the Ursuline order in 1535.

All persons of faith are invited to participate in these free, weather-permitting events. Walks generally take 20 minutes to ½ hour.

This year's schedule is:

Sun., June 12, 2 p.m.: Welcoming Jesus into our hearts
Thurs., July 21, 6:30 p.m.: Knock...it shall be opened
Thurs., Aug. 18, 6:30 p.m.: Jesus invites the children
Thurs., Sept. 15, 6:30 p.m.: Jesus welcomes the sinners
Sun., Oct. 16, 2 p.m.: God welcomes us all

The labyrinth is open dawn to dusk for all persons of faith. There is no cost to use the labyrinth, which is accessible for different physical abilities and offers ample parking.

Printed guides are provided at the Labyrinth's entrance giving suggestions for following the path, but there is no right or wrong way to experience the sacred walk.
